

Business Tax Account

[IRS.gov/bta](https://www.irs.gov/bta)

Business Tax Account allows authorized users of certain entity types to securely access and manage their federal tax records and information online.

BTA supports access for the following organizational types: sole proprietorships, partnerships, S corporations, C corporations, federal, state, and local governments, Indian tribal governments, and tax-exempt organizations.

What can be done with BTA?

- View tax balances, make payments, and see payment history
- Download select digital notices
- View eligible transcripts, such as payroll and income
- Request a tax compliance check
- View the business name and address on file with the IRS

For more information or to learn about eligibility requirements to use BTA, visit
